Viewing Course Evaluation Results and Response Rates

Log in to Moodle and click on the EvaluationKit link on Moodle dashboard. Select Open Block Drawer if you don't see this option initially (arrow in upper right-hand corner.)

The screenshot shows the Moodle dashboard interface. At the top, there is a navigation bar with links for Home, Dashboard, My courses, Accessibility, Need Tech Help?, Need Academic Help?, and Other Moodles. A search icon, notification bell, and user profile (TB) are also visible. In the upper right-hand corner, a red box highlights a circular 'Open Block Drawer' button with a left-pointing arrow. Below the navigation bar, a greeting says 'Hi, Tina!' with a hand icon. A 'Recently accessed courses' section shows two yellow course cards. A large white box with a red border contains the text 'EvaluationKIT User Access' and a blue button labeled 'Go to your Course Evaluations dashboard'.

A new tab will open to EvaluationKIT website (currently called Course Evaluations & Surveys by Watermark). On the Home page, the Project (evaluation) results will appear. Click on the blue hyperlink to see specific courses.

The screenshot shows the Watermark Course Evaluations & Surveys website. The browser tab is 'Watermark Course Evaluations'. The URL is brynmawr.evaluationkit.com. The website header includes the Watermark logo and the text 'Course Evaluations & Surveys | formerly EvaluationKIT'. A dark blue navigation bar has 'Home' and 'Results' (with a dropdown arrow). Below this is a 'Project Results' section with a table. The first row of the table is highlighted with a yellow box.
